

The Second Stage of the NMAT Admission Process 2023

The Second stage of MBA Selection process will be conducted offline at NMIMS Mumbai Campus only. It includes a computer-based Written Analytical Test (WAT), **WATSON GLASER** Test, and Personal Interview (PI).

If shortlisted, you will receive the Call Letter for the further process on your dashboard. You must submit the WAT & PI registration form and make the payment through online payment link before the due date. After payment, "Book your slot (date & session for WAT/ **WATSON GLASER** Test & PI)" for the above mentioned process only through your dashboard.

Please note: Each session has limited slots. It would be strictly first come first serve basis. No rescheduling requests will be entertained.

On the day of the Process:

Briefing: NMIMS Faculty will brief you about the WAT, **WATSON GLASER** Test & PI process and salient features of the Management programs offered at NMIMS, Deemed to be University.

Instructions:

WAT, WATSON & PI process will take approximately 6 hours. Kindly plan your return travel accordingly.

Kindly go through the given link (PPT) below to understand the modalities of WAT, **WATSON GLASER** Test & PI Process.
