The activity is conducted by the student council at NMIMS, Mumbai, after the academic year begins. It is a movie making competition that happens between the randomly assigned students from the 1st year in order to facilitate ice breaking activities and inculcate some kind of coordination in order to leave a lasting impression. The caption for the event says “Your last chance to leave the first impression”

A total of 2 rounds are conducted as a part of Manan. To begin with, students are first divided into groups of 17-18 from all across courses i.e. Core, HR, Pharma, etc. One POC is assigned for each group to facilitate the smooth happening of events.

As a part of the first round, the Teams are given themes based on different famous TV series, movies, etc. along with random objects, using which they have to make their short movies. Of all the submissions, a total of 3 are taken to the next round where they are given another theme to build a story and enact in front of a judge's panel and the rest of the college to see. This happens live after which the results for the same are announced and we have a winner team at the end. Manan was conducted on Zoom this year. The entire batch participated in this and we got around 25-30 submissions at the end of Round 1.

This year the team “Gunther Punters” emerged as the winners. They were a team of 8 members namely - Siddharth Singh, Vineet Puri, Rishika Joshwani, Shubham, Ananthysyam, Dahir Sharma, Kunal Mehta and Aditi Sinha

Objectives of the event:

To give the graduating students a farewell from the school before their final examinations

As we bid a final goodbye to our class of 2022, the first and second year students organised a fun-filled evening for the B.Sc. and M.Sc. Students on 9th April 2022, at B.J. Hall. The theme for this year's farewell was 'The Great Indian Wedding' where the girls donned beautiful sarees and the boys, suits and sherwanis. As soon as the students entered the venue, bags were lined along the hall with their names, where their classmates could write personalized messages for them as a memento of their time spent in college.

The evening progressed with the awards ceremony where the batch had voted for their classmates who best fitted a particular role or description, for awards such as Mr/Miss SAMSOE, Best Speaker, Best CR, Famous Trio etc. Trivia games based on questions on their time at SAMSOE added sentimental fun to the proceedings. The cultural club 'Junoon' also organized musical and dance performances on popular Bollywood wedding songs, keeping in mind the theme of the event.

The evening ended with the speeches of the third year students who shared their memories of their three years at SAMSOE, and time they spent online and offline with their classmates. The farewell finally concluded with high tea, many photography sessions and a lifetime's worth of memories.
