Objective of the event:

The primary goal of our Cultural Night and Traditional Day event was to celebrate the diverse cultural heritage of our college community while fostering unity, understanding, and enjoyment among students. Through vibrant performances, interactive activities, and cultural displays, we aimed to showcase talent, and create an inclusive and enjoyable environment for all college students to celebrate and appreciate their differences.

Details of the event:

The sunlit hours of Traditional Day saw our campus metamorphose into a tableau of tradition and heritage, as students bedecked themselves in an array of splendid traditional attire. From the resplendent elegance of saris and sherwanis to the intricately woven threads of cultural significance, every ensemble told a unique story. As twilight descended, BJ Hall emerged as the epicentre of cultural revelry. The stage became a canvas for artistic expression as the Music and Dance Committee, in collaboration with talented student performers, dazzled the audience with a kaleidoscope of performances. From the rhythmic beats of folk dances to the soul-stiffing melodies of classical music, every act was a testament to the rich tapestry of our cultural heritage. The ambiance electrified as the DJ spun infectious tunes, igniting the dance floor with an irresistible energy. Students, buoyed by the pulsating rhythms, let loose and revealed in the joy of uninhibited celebration, forging bonds of camaraderie that transcended cultural boundaries. Adding an extra dash of glamour and allure, a renowned artist, Moses Kaul graced the stage, enthraling the audience with a spellbinding performance that left us spellbound and craving for more.

Details of the event:

Students got together to show off their artistic skills at Chitrakala, a lively celebration of creation. The photography, sculpture, and painting skills shown at this event were truly amazing and left the crowd in awe. With qualified judges, the battle was tough and the level of quality was very high. The artistic booths at Chitrakala were one of the best parts. People could show their talent by spray-painting totes and t-shirts. With this engaging part, everyone could take home a one-of-a-kind, personalized memento from the event. Its success wasn't just due to the amazing artistic skill on show; it was also the result of careful planning. The event went off without a hitch, making the experience smooth for everyone. Without a doubt, Chitrakala was a fun and enjoyable event that left a lasting impact and brought people together through the appreciation of art. Through these creative activities, students cultivate not only their artistic talents but also a range of essential skills. From fine motor skills in sculpting and painting to visual literacy through photography, the event encourages creativity, problem-solving, and attention to detail. Collaborative projects promote teamwork, while the act of self-expression fosters self-awareness and confidence. The diverse nature of artistic mediums enhances cultural appreciation and contributes to a well-rounded skill set, preparing students for challenges beyond the art studio.

Objectives of the event:

To conduct a fun-activities based and games flea market/ carnival type event for samsoe students as well students from other nearby colleges. Elysium maintained a theme “Christmas: In the land of Strange” this year and prepared the decor of the fest accordingly.

ELYSIUM’23 was conducted on 20th December at Mithibai College. This was the third edition of the annual fest conducted by the fine arts club, ELCITY. The day couldn’t have been less spectacular from games, food and much more. Students from school of economics were given the opportunity to put up their own stalls ranging from games like 7up 7down, money doubler, customised as well as ready made accessories and creative artwork. Besides, fast food joints such as Sbarro, small businesses such as The laughing boocha and Home baker were invited which added to the glamour and took the fest to new levels. The entire venue looked captivating with all the decorations, Starry nights painting, slynkies, vinyls craft and much more all crafted by our team. It was indeed heartwarming to see all the guests enthralled by it as their cameras pointed towards the photo-booths to click memorable pictures with their friends, getting group cards and matching bracelets as well as getting braids and face painting done by the ever enthusiastic SAMSOEites. ELCITY core had also put up a fundraiser stall which made tremendous revenue all of which will be donated by ELCITY towards a social cause. Our fest this year was a success and we look forward to more successes in future years to come.
