NMIMS had passionately participated in two climate strikes, focusing on the urgent need to save trees and address climate change as an imminent emergency. We stressed on the vital role trees play in mitigating climate change and emphasized the alarming rate of deforestation. NMIMS advocates for systemic change, calling for innovative solutions, sustainable practices, and policy reform to combat climate change effectively. Our participation in these climate strikes was to raise awareness and actively work towards a more sustainable and environmentally conscious future, where the importance of trees and climate change action is paramount.

Objectives of the event

The event aimed to promote environmental awareness and responsibility among students while contributing to the local community's well-being

Samvedana, the social club of SAMSOE, NMIMS held a special Beach clean-up drive in collaboration with Carter Clean-Up on 27th September, 2019 to contribute to the environment in remove the waste that degrade urban beaches. The organisation meets every Saturday on Carter Road and volunteers to clean the non-biodegradable waste from Carter beach. The waste is then sent to a recycling unit which converts them to benches. The Beach Clean-Up Drive was a successful initiative that not only cleaned the beach but also instilled a sense of environmental responsibility among participants. The positive outcomes and lessons learned will guide future efforts to enhance the college's community service and environmental conservation activities

Name of Activity: Animal Shelter Visit

Name of school: School of Business Management, (SBM), NMIMS

Date: 1st March, 2020

Organising Club: Social Responsibility Forum, (SBM), NMIMS

Enclosed Document:

1. Report of the event
2. Photographs

The visit aimed to educate students about animal welfare, provide volunteer support to the shelter, and foster a sense of compassion and responsibility towards animals. Students were given a guided tour of the shelter, learning about its operations, the animals it houses, and the challenges it faces. Students engaged in various tasks such as cleaning kennels, feeding animals, walking dogs, and socializing with cats. Shelter staff conducted an educational session on animal care, the importance of spaying/neutering, and ways to support animal welfare. Students participated in interactive activities, including making toys for the animals and helping with minor maintenance tasks around the shelter. The volunteers donated the supplies worth Rs. 5000/- to the shelter. The visit was a successful and impactful experience for both the students and the shelter. The event not only provided much-needed support to the shelter but also educated students about the importance of animal welfare and encouraged them to become more actively involved in community service.
