1. To confirm the minutes of the IQAC meeting held on 13 March 2023:
The minutes of the last meeting were circulated. Since no comments were received, the minutes were confirmed.
2. Review of the Research publication patents and projects:
The committee has reviewed the total number of publications including book chapters, journal, articles, creative writings and manuscripts from all the schools. The committee

noted that the maximum number of research projects is from the faculty of Science and also requested the other Dean's of the school to encourage faculty members to write more collaborative projects with faculty members of other schools.

3. Review of number of companies visited for placements and placement statistics of A.Y. 2022-23:

The committee has noted that the maximum number of placements is from the School of Business Management and maximum number of students progressing to higher education is from Faculty of Engineering and Science.

4. Addition of value added courses across schools:

Based on the feedback from industry, it was decided by the committee that the students will be offered which enhances skills amongst the students. It was also decided that students can take the courses from the online platforms like Coursera, Udemy, Moodle, Swayam etc.

5. Any other matter with the permission of the Chair:

Since there was no other matter to be discussed, the meeting ended with the vote of thanks to the Chair.
