

2.5.2 Percentage of student complaints/grievances about evaluation against total number of students appeared in the examinations during the last five years

HEI Response:

1. After the results are declared, students have an opportunity to get scanned copy of their evaluated answer script. The answer-key of the Question Paper is also made available to the students through the student portal. The students can check their answers with the answer-key provided. Due to this, the number of complaints and grievances are minimum. **So, the HEI response is correct.**
