

### **5.1.3 Following Capacity development and skills enhancement initiatives are undertaken by the institution for:**

1. Soft skills
2. Language and communication skills
3. Life skills (Yoga, physical fitness, health and hygiene, self-employment and entrepreneurial skills)
4. Awareness of trends in technology

#### **HEI Response:**

**HEI has noted the DVV comments and rechecked the data. The revised data along with links to supporting documents is given below:**

1. As suggested by DVV, the HEI has included the Skill being imparted (year wise, skill wise) The link to the revised template is given below:

However, the industrial visit and the activities of the Disrupt (Tech Club) have been incorporated into the database, in alignment with the guidelines specified in the NAAC SOP.

The industrial visit, conducted in the academic year 2019-2020, was organized by the Faculty of Liberal Arts. It served as a valuable initiative for enhancing technology awareness among students, specifically for those enrolled in the relevant program. The visit significantly contributed to bridging the gap between theoretical knowledge and practical applications in the field of technology. A detailed report of the industrial visit has been attached for reference. The SOP clearly mentions that activities on each one of them should be conducted every year to have the response A. The HEI has fulfilled the same, and hence, the response A.

3. The HEI conducted programs periodically during the assessment period, and hence the response is A. The HEI has provided the attendance sheet with physical signature of students below:

Soft Skills	<a href="#">View Document</a>
Language & Communication Skills	<a href="#">View Document</a>
Life Skills	<a href="#">View Document</a>
Technology Awareness	<a href="#">View Document</a>

4. HEI has rechecked the data and it is in proper order.
