

7.1.6 Quality audits on environment and energy are regularly undertaken by the institution

The institutional environment and energy initiatives are confirmed through the following

1. Green audit / Environmental audit
2. Energy audit
3. Clean and green campus recognitions / awards
4. Beyond the campus environmental promotion and sustainability activities

HEI Input: All of the above

HEI Response:

HEI has noted the DVV comments and the links to relevant documents are given below. HEI maintains its response A for the metric.

1. E-copies of all the three audit reports - green, environment and energy. prepared by GreenVio Consultants

At NMIMS, these reports have been meticulously prepared by GreenVio Consultants, highlighting the institution's efforts toward sustainability, environmental conservation, and energy efficiency. The attached documents include detailed assessments and recommendations, aligning with NAAC's standards.

These reports serve as critical evidence of NMIMS's commitment to environmental stewardship and adherence to best practices in campus operations.

2. Registration certificate of auditing agency GreenVio

Greenvio Solutions is registered with Govt. of India as a MSME and as an establishment of Architecture and Environmental consultancy with Govt. of Maharashtra since it is based in Maharashtra. The Green, Energy and Environment audit is based on 'Green Building' parameters framed by the Green Building Councils globally with a vision to make the campus

a 'Green Building'. To initiate the process the 'Green building audit' was conducted by Ar. Nahida Abdulla Shaikh, a Accredited Green Building Professional with the Indian Green Building Council.

The same has been mentioned on the Certificates issued and the accreditation proof is attached herewith:
